

## DAY TRIP TO ROTTERDAM or AMSTERDAM MAY 15th 2017

Advance details and Booking Form to secure a place:

Sunday 14 May 2017: travel by car share to Hull (King George Dock HU9 5PS).

Ferry sails at 20.30, arrive Rotterdam 09.00 Monday (local).

On board cabins reserved, cost is based on two persons sharing a cabin, to allow better space. Items not needed the following day may be left in the cabin for the return journey.

On each sailing, outward and return, the cost includes dinner in the main restaurant and early breakfast in the cafeteria before disembarking.

The cost also includes a coach transfer from Europort to Rotterdam or Amsterdam, and return, as specified when booking. This allows a full day in either city: each is well worth a visit. Be sure to note the instructions from the Ferry Co. in regard to return times of the coach transfers from near the main railway station in either city.

Most useful websites appear to be: [www.amsterdam.info](http://www.amsterdam.info) or <https://en.rotterdam.info>. *It would appear to be sensible to pre-book on line Museum tickets and such like to speed entry to your choice(s). This is left to you to do as we may all wish to do different things.*

Monday 15 May: return sailing from Rotterdam at 21.00.

Arrive Hull Tuesday at 08.00.

Budget cost subject to confirmation when 2017 meal prices are confirmed: £130.00 pp. Passports required.

**NB:** coach transfers each way can be arranged if there is sufficient demand, at extra cost, between Market Rasen and area/Hull Dock. To be decided later. Car parking is £7.00 /car/day or part so cost should be £14 /car.

As the P&O Ferries system requires payments to be paid by Bank Transfer (which U3A cannot do at present), or Visa/Mastercard, payment should be made to me (NOT U3A) and I will make payments from my account.
