CHAIRMAN'S REMARKS

I was to be seen patrolling the Festival Hall Car Park after I was told the Traffic person was there at our last General Meeting in July. At least three people were booked and as far as I could see all had tickets but one had put a coin on it to hold it in place, one had not realised the first two letters of their registration had not registered on their ticket and the third was over the line. When we go in August I will probably feel compelled to patrol the Car Park before he arrives! Please be aware of the three things I have listed and be very careful. Make sure your back wheels are in the box as well.

We had an entertaining greetings group of people from our different languages groups, thank you to those people. Our speaker was very good, so apart from the parking we had an excellent meeting. A big thank you to everyone for the marvellous response to my plea to help clear away tables and chairs because the usual council employee who does this was absent. That day was u3a at its best. Those of you who never come to General Meetings but read this do give a meeting a try.

Best wishes
Gail Dennis, Chairman

GENERAL MEETING SPEAKER PROGRAMME 2022/23

14TH September – Stephen Brown - It's 'L' On Wheels

Find out how much the Driving Test has changed in the 34 years that Steve has been a driving instructor. Be amazed at the funny things learner drivers ask and feel free to ask driving-related questions at the end.

12th October – Dan Swinton – The Plastic Problem

Plastic is everywhere, useful and convenient. Its also a massive pollution problem. Wildlife becomes ensnared in discarded plastic and microplastics are eaten by ocean creatures. Dan will take us through the most asked questions: how does plastic get into our oceans; how can I use less; what are the alternatives; what happen to my plastics recycling and what's the solution.

WLDC recycling will have a stand at this meeting to answer any questions you might have about your own bin recycling scheme.

10th November – AGM with entertainment from the Drama Group

14TH December – Vince Eager - What Time Is The Midnight Buffet

Vince's presentation reveals almost everything you didn't or wouldn't know about cruising. He goes behind the scenes and reveals often hilarious or worrying facts about cruising, what the passengers get up to, and how the crew get their own back!

The u3a ethos is 'by the members, for the members'
but this ethos seems to be slipping away.

Our u3a is only as good as the contribution members make to it.

Think of it like a bank - if you keep taking out then eventually the bank will collapse.
If, however, we all make a contribution, it can only grow.

Volunteers needed in all areas, from running or helping to run a group, catering, greeters, helping set up or clear away at the monthly meetings, to assisting committee members with small tasks.

What contribution can you make?

Thank you to all the wonderful volunteers we already have -
you are what makes our u3a work.

THE WEST WOLDS WARBLERS

The West Wolds Warblers entertained the residents at the Poplars Care Home on Wednesday 2nd August. We went down a storm and even got a round of applause.

Thanks to the eleven members of the group who took part, especially Bess who gave out the lyric sheets to the residents, many of whom joined in with gusto.

THE WEST WOLDS GARDENING GROUP.

We always welcome new members to the group which meets every third Wednesday at The New Life Church in Market Rasen from September to April when we usually have a guest speaker on a garden topic and of course a cup of tea/coffee and biscuit.

We have plant swaps and enjoy each other's company and garden knowledge. We produce a monthly newsletter on garden matters of interest to our members. To join the group contact Jane Guy on gardening@westwoldsu3a.org or phone on 0797 1277 482.

We also arrange some garden visits in the summer months. Any u3a member, whether they are a member of the garden group or not, is welcome to join us.

I have arranged one final coach excursion for this year, on Wednesday 6th September to Gunby Hall which was requested after we had a speaker at our general meeting back last August, on growing fruits, from Gunby Hall.

The cost will be £25 to include coachseat, driver's gratuity and entrance to Gunby Hall Gardens. You can also pay on arrival for a small extra fee if you want to go round the Hall.

**GARDEN GROUP VISIT TO
"OVERBECK" GARDEN.**

On Wednesday, July 5th our group visited "Overbeck" in Scothern belonging to John and Joyce Good. This garden represents a 29 year project of design and hard work. Joyce was kind enough to show us an album which depicted the gradual creation of what is now a plantsman's garden. See photographs "Before and After!"; from no flower beds at all to today's magnificent plantings. We were free to wander at will.

We entered over the beck into a good-sized area, mature shrubs and small trees screening the dormer bungalow from the road; the flower beds here curved and colour-themed. A central circular flower bed was a riot of colour. (see pic' on the left). walking down the side of the property we passed clematis and roses at the back corner of the bungalow and entered the large and carefully designed rear gardens. Passing a bed of various grasses a central lawn was flanked by huge curving beds of perennials.

The ground sloped gently upwards towards a small pond stocked with goldfish. A stone bird bath and rustic stone figure set off this delightful feature which also boasted gorgeous bright pink waterlilies.

On our left, slightly hidden behind a small paved "room" with an antique urn, was the surprise geometric feature of clipped box and to the right a white bed. On the extreme right a pleasant grassed seating area was tastefully arranged to include ornamental sculptured ducks and chickens.

At the rear behind a screen of roses and climbers of all kinds lay the immaculate vegetable garden. The screen had been created from a badly positioned pergola that the original owners had erected 30yrs previously.

After a sojourn on a recliner in the shade, it was back to the house where we were served with tea, coffee or a cold drink with a biscuit.

Afifa Sutherland.

We have now closed for the next 6 weeks but will be opening again in early September. Our group meets every Thursday afternoon (from September) at 2 p.m. for a two hour bowling session at Dunholme's Indoor Bowling Club in Honeyholes Lane in Dunholme. Everyone is welcome.

For those who have not played before we will provide your shoes and bowls and show you how to play, although it is not difficult to pick it up very quickly and start to have some fun. We stop for a cuppa and chat half way through. This is gentle exercise in convivial company with lots of laughs on the way and a great opportunity to make new friends.

Why not ring Jane on 0797 1277 482 or e-mail her on jane.m.guy@gmail.com to arrange for your first lesson. After that, your next two sessions are free and after that the rink fee is £4 for two hours. What have you got to lose?

LANGUAGE GROUPS LATEST

The weather throughout Europe remains extremely hot and isn't an enticement for any of our language group members to venture abroad at this time of year. Not to be outdone, some of our Intermediate Spanish Group will be travelling to Easingwold, just north of York, to take part in a Spanish Summer School hosted by Yorkshire and Humber Region u3a. Over a four day break, this annual event is a wonderful opportunity for some of our members to meet up with others from the wider u3a network to take part in group activities that they normally experience closer to home.

You really don't have to travel abroad to use an additional language. A more detailed report will be available in the September edition of our Spanish newsletter.

In the meantime here's a round-up of all our language groups for August and early September. If you want to join one or more of these lively groups we're always pleased to welcome new members.

Contact details can be found towards the end of this newsletter and also on the West Wolds u3a website.

French

This group will be moving to a new regular timetabled slot in September. A final decision will be confirmed when this is agreed. Contact Sandra Dean for further details on 07734 456213.

German

This group will be back again in September. Contact Gary Beighton for further details 07582 227856.

Italian

The first meeting in the autumn will be on Thursday 7th September at 10am. The venue will be announced nearer the time. Details will be given in the Italian WhatsApp group or directly from the convenor. Contact Sandra Dean for further details on 07734 456213.

Spanish Beginners

The next session will be on 11th September at 1.30pm in Market Rasen. The exact location will be shared with group members through WhatsApp and by email. Contact Sandra Dean for further details on 07734 456213.

Spanish Intermediate (Hablemos Español)

The group will be back together on 5th September at 2.30pm in Caistor. Contact Sandra Dean for further details on 07734 456213.

And finally, a big "thank-you" to all our Language Group members who took part in the International Greeters Session at the recent Monthly Meeting at the Festival Hall. It was a wonderful opportunity to use our skills and to chat to each other in a variety of languages.

Thanks to everyone who wore something "linguistic" on the day.

Thanks to Sue Roebuck and Sue Toyne (Sancho Panza and Dulcinea del Toboso) who put on a wonderful display of Spanish artefacts and memorabilia.

Thanks to Brian Ward (our very own Don Corleone) for the original idea.

Finally, thank you to everyone who came through the door that day and who shared some of their own languages with us all.

Sandra Dean

AGE UK LINDSEY

Age UK Lindsey is an independent local charity and has been working for over 30 years to promote and improve the wellbeing of older people living in this East Lindsey, West Lindsey and North Lincolnshire.

Due to a significant rise in referrals especially in the Market Rasen area, we're now looking to increase our team of Befriending Volunteers to assist us in delivering the service to older people in West Lindsey.

Being a Befriender means you are there to provide some much needed company for those who are feeling lonely or isolated with very few family or friends to support them.

There are two options to help:

Telephone Befriending

Some people prefer to have a phone call rather than have someone visit them. It's about having a friendly chat, sharing special important memories, talking about any hobbies they may have, family/friends, what's going on in the world and just life in general! The call lasts as long as the volunteer /client wants to chat - but somewhere around 30- 40 mins is a general guideline, once a week.

Face-to-Face Befriending

The other option is Face-to-Face Befriending, again this is on a weekly basis, for an hour or so. It's simply about having a cup of tea with them, maybe playing a game or just having a chat the same as you would over the telephone, or even accompanying them to a local activity if that is possible.

It may not seem like very much time spent with the client, however Befriending can make a hugely positive difference to an older person's life.

There is a short application process which I would be happy to explain if anyone is interested in becoming a Befriender.

My contact details are Lin Wood (Volunteer Coordinator) - 07593 818748
Email: Linda.wood@ageuklindsey.co.uk

SOLO GROUP

The solo group met again on Friday 21st July, there were 18 of us in total and I was very pleased to see 5 new members. We were given a very information talk by Michael Smith, the specialist nurse from the Market Rasen surgery regarding care and welfare for those of us living on our own. He came well prepared with books and leaflets full of useful information of which I still have some left if anybody is interested.

I am proposing to organise a visit to the local Fire Station in September so there will be no meeting at the New Life Church that month. Details and timings will be sent out to everyone in the group by e-mail or by phone.

DIGITAL PHOTOGRAPHY GROUP FASHION SHOW

On 17th July, the Digital Photography Group held a fashion show at the New Life Church to meet our monthly fun challenge of 'Fashion Photography'.

A call went out on the website for other members of the u3a to come along in their finery to strut their stuff and pose for the members of the group to allow us to use our expertise to the best of our abilities.

Five keen models that were not members of the group plus five existing members dressed up and posed. Thanks go to Ginny Beard, Gillian Anderton, Jenny Oyston, Rosanna Benn and Julia Francis for joining group members Barbara Jackson, Sandra Dean, Dave Ebbage, Brian Ward and myself for putting on the show, and thanks to Suzanne Barker and Steve McCarthy for making the arrangements to set it up.

Here are a few of my photos that I think show the resulting fun. The best photo from all the members taking photos and chosen by the group is shown on page 11.
